this book provides an in depth account of modern methods used to bound the supremum of stochastic processes starting from first principles it takes the reader to the frontier of current research this second edition has been completely rewritten offering substantial improvements to the exposition and simplified proofs as well as new results the book starts with a thorough account of the generic chaining a remarkably simple and powerful method to bound a stochastic process that should belong to every probabilist s toolkit the effectiveness of the scheme is demonstrated by the characterization of sample boundedness of gaussian processes much of the book is devoted to exploring the wealth of ideas and results generated by thirty years of efforts to extend this result to more general classes of processes culminating in the recent solution of several key conjectures a large part of this unique book is devoted to the author s influential work while many of the results presented are rather advanced others bear on the very foundations of probability theory in addition to providing an invaluable reference for researchers the book should therefore also be of interest to a wide range of readers

greed frustrated love traffic jams infertility politics polygamy these together with depictions of traditional village life and the impact of colonialism made familiar to western readers through chinua achebe s writing are the stuff of nigerian fiction bearing witness examines this varied content and the determined people who against all odds write publish sell and read novels in africa s most populous nation drawing on interviews with nigeria s writers publishers booksellers and readers surveys and a careful reading of close to 500 nigerian novels from lightweight romances to literary

masterpieces wendy griswold explores how global cultural flows and local conflicts meet in the production and reception of fiction she argues that nigerian readers and writers form a reading class that unabashedly believes in progress rationality and the slow but inevitable rise of a reading culture but they do so within a society that does not support their assumptions and does not trust literature making them modernists in a country that is simultaneously premodern and postmodern without privacy reliable electricity political freedom or even social toleration of bookworms these nigerians write and read political satires formula romances war stories complex gender fiction blood and sex crime capers nostalgic portraits of village life and profound explorations of how decent people get by amid urban chaos bearing witness is an inventive and moving work of cultural sociology that may be the most comprehensive sociological analysis of a literary system ever written
