offers suggestions to correct the dehumanization of african american children and tells how to ensure that african american boys grow up to be strong committed and responsible african american men

with the publication of his two early works *black theology black power* 1969 and *a black theology of liberation* 1970 james cone emerged as one of the most creative and provocative theological voices in north america these books which offered a searing indictment of white theology and society introduced a radical reappraisal of the christian message for our time combining the visions of malcolm x and martin luther king jr cone radically reappraised christianity from the perspective of the oppressed black community in north america forty years later his work retains its original power enhanced now by reflections on the evolution of his own thinking and of black theology and on the needs of the present moment

in this book lisa b thompson explores the representation of black middle class female sexuality by african american women authors in narrative literature drama film and popular culture showing how these depictions reclaim black female agency and illustrate the difficulties black women confront in asserting sexual agency in the public sphere thompson broadens the discourse around black female sexuality by offering an alternate reading of the overly determined racial and sexual script that casts the middle class black lady as the bastion of african american propriety drawing on the work of black feminist theorists she examines symptomatic autobiographies novels plays and key episodes in contemporary american popular culture including works by anita hill judith alexa jackson p j gibson julie dash kasi lemmons jill nelson lorene cary and andrea lee

an ethnographic work by a queer woman of color using womanist methodology to critically examine the violent rhetoric of black church public theology in the treatment of lgbtqia persons

in many popular depictions of black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound these ideas ignore the powers of ordinary families and obscure the systematic working of racism tending to the past selfhood and culture in children s narratives about slavery and freedom examines black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary african americans survived slavery and racism in early america tending to the past argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present the book examines how narratives by children s book authors such as joyce hansen julius lester marilyn nelson and patricia mckissack and the filmmakers charles burnett and zeinabu irene davis were influenced by black cultural imperatives such as the black arts movement to foster an engaged culturally aware public through

Careful analysis of this rich body of work tending to the past thus contributes to ongoing efforts to construct a history of black children's literature and film attuned to its range specificity and depths tending to the past provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives reconstructions in a neoliberal era a time of shrinking opportunities for many african americans it offers models for understanding the powers and continuing relevance of the black child's creative agency and the black cultural practices that have fostered it

from slave to separate but equal the constitution slave capitalism human rights civil war reckoning is a secret history of the united states not taught in schools about economic social and political effects of protestant slavery included in the constitution denying citizenship to blacks resulting in a civil war reckoning with a million casualties from slave to separate but equal challenges the assumption that the civil war was fought to end black slavery author paul kalra presents a convincing argument that by far the bloodiest war the u s has waged could have been avoided had slaveholders adopted the catholic slave code which recognized the humanity of slaves by adopting the protestant slave code and framing it into an undemocratic constitution slaveholders created distinct slaveholder and non slaveholder classes and denied blacks citizenship this inevitably led to economic and political dilemmas that became insurmountable once immigrants flooded the slave free north and lincoln was elected president

examining nixon's autobiographies and political memorabilia frick offers far reaching perceptions not only of the man but of nixon's version of himself contrasted with those who would interpret him differently he cites reinventions of nixon from the late 1980s particularly the museum at the richard nixon library and birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques and he recounts how celebrants at nixon's state funeral at which bob dole's eulogy depicted a god fearing american hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president with dozens of illustrations nixon posing with elvis the national archives most requested photo nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of nixon from so many diverse media these reinforce frick's probing analysis to help us understand why we disagree about nixon and why it matters how we resolve our disagreements book jacket
